POLICY AND PROCEDURES FOR THE PPCIG VOL I, CONUS
REVIEW DATE: 03 MAY 01

1. **PURPOSE.** This guide implements the Defense Transportation Regulation (DTR), DOD 4500.9-R, Part IV. This guide is to assist the Personal Property Shipping Offices (PPSO) in consigning shipments and is arranged in two volumes: Volume I, CONUS Activities and Volume II, Overseas Activities. This volume contains consignment instructions for DOD activities for Direct Procurement Method (DPM) household goods (HHG) and baggage, Through Government Bill of Lading (TGBL) HHG, high value personal property, and parcel post personal property for CONUS PPSOs. Each page contains a "Special Instructions" section which may be used by the PPSO to convey consignment information or shipping instructions unique to their installation which is not shown elsewhere.

2. **RESPONSIBILITY.** It is the responsibility of each activity to ensure all instructions and appendices addressing their area of responsibility (AOR) are current, clear, and concise at all times to avoid misconsigned shipments. Misconsigned shipments result in additional costs to DOD and have an adverse impact on service members and their dependents possibly resulting in congressional inquiries. Updates should be reported immediately as they occur in all sections to HQMTMC, ATTN: MTPP-SH, 200 Stovall Street, Bldg Hoffman II, Alexandria, VA 22314. Whenever a change is required, request the entire page be reviewed prior to submission to permit a more comprehensive update to be transmitted. It is recommended a review be conducted at least semi-annually to promote better service to the military members and potentially improve better utilization of personnel resources.

3. **CONTENT.**

a. **FORMAT.** Volume I, CONUS, is arranged alphabetically by state. Each state is assigned a separate chapter and has a minimum of two records.

(1) The first record identifies the Storage In Transit (SIT) for mobile homes for the state.

(2) The second record identifies each county and/or independent city within the state and the activity responsible for providing personal property services as quick reference to the activity record.

(3) Thereafter, there will be one record for each active and deactivated installation that has inbound responsibilities, ports, and aerial terminals. The deactivated page is designed to assist in identifying where the responsibility is reassigned. Activity pages include the following: a record number, general administrative information such as GBLOC, DODAAC, address, etc. consignment instructions for said activity with regard to Direct Procurement Method (DPM) household goods (HHG) and baggage, Through Government Bill of Lading (TGBL) HHG, high value personal property, and parcel post personal property, and special instructions. The special instructions may contain unique notes limited to the named activity only. Standard format is identified in para 6 below.

(4) Refer PPCIG Volume II, Overseas, for the US states of Alaska and Hawaii, Puerto Rico, and other overseas destinations.

b. **MAINTENANCE.**

(1) **Addition or deactivation** of any activity involves the SIT for Mobile Homes, county, and the installation pages. Establishment of any new activity must be coordinated through the sponsoring Services Headquarters identified in para 5 below, and submitted to HQMTMC (MTPP-SH) in the format identified in para 6 below. When new activities are added to the guide, they will be assigned a record number. When activities are deleted from the guide, the record will remain to identify the activity assigned this area of responsibility.

(2) **Updates** to activity pages in accordance with para 2 above should be reported by the responsible installation immediately as they occur to HQMTMC, ATTN: MTPP-SH, 200 Stovall Street, Bldg Hoffman II, Alexandria VA 22314. A semi-annual review is recommended, and the forwarding of updates when required. Updates should be submitted for coordination and dissemination to HQMTMC (MTPP-SH).

c. **MISCONSIGNED SHIPMENTS.**

(1) **Destination activity** is to advise the origin PPSO by message when misconsigned shipments are received. Provide sufficient information in the message so the origin PPSO can investigate the reason with the appropriate MTMC organization. See para 4 for HQMTMC and MTMC Transportation Group addresses.

(2) **Origin PPSO** is to review the destination activity consignment guide page to determine whether consignment instructions may have contributed to the misconsignment. If consignment instructions are not clear, advise the destination activity with information copies to the addressees below. Identify specifically the part of the consignment instructions that are unclear, and if appropriate, recommend changes in wording.

4. **CORRECTIONS.**

a. Message changes involving activity records will be addressed to MTMC Transportation Group or Headquarters. The MTMC Transportation Group will review and forward the changes to HQMTMC (MTPP-SH). b. **PARCEL POST:** Do not consign to TO as agent for members. Consign to member or member's agent c/o local address or unit of assignment.

3. **SPECIAL INSTRUCTIONS:**

a. **NOTE 1:** Overseas TOs should counsel prisoners and/or their agents that personal property cannot be received by, or retained in, the US Disciplinary Barracks facility. Overseas shipping offices must ensure property is forwarded to a deliverable address. Do not ship to the USDB or Ft Leavenworth merely to move property from the overseas area, property which is undeliverable here must ultimately be disposed of in accordance with existing directives which involves unnecessary expenditure of time and effort. Shipping offices should refer to AR 190-47 for restrictions on shipments to the prison facility at Ft Leavenworth.

b. **NOTE 2:** Transportation offices should counsel service members who are assigned to the Command and General Staff College (CGSC) in accordance with JFTR paragraph U5434D. Service members should further be counseled that the size of Government quarters should be considered when shipping HHG per information provided in CGSC Circular 351-4 and HHG excess to quarters will be placed in NTS at origin or port of entry.

c. **NOTE 3:** Overseas TOs should counsel prisoners and/or their agents that personal property cannot be received by or retained in the US Disciplinary Barracks Facility. Overseas shipping offices must insure property is forwarded to a deliverable address. Do not ship to USDB or Personnel Confinement Facility (PCF) or Ft Knox merely to move property from overseas area. Property which is undeliverable/unclaimed here must ultimately be disposed of in accordance with existing directives which involves an unnecessary expenditure of time and effort.

a. ELKTON HOMES
1000 E PULASKI HWY
ELKTON MD 21921
at (401) 398-3241

b. Unused.

2. Ft Meade, MD:

a. Extreme shortage of mobile home lots for leasing/renting/buying in this area. Waiting time could take up to 1 year for a lot. The state of Maryland has extremely stringent laws concerning location and placement of the mobile homes. SIT at origin should be requested until lot is available. Mobile home lots are not provided on post. There are no approved SIT facilities for mobile homes in the Ft Meade area of responsibility.

CHAPTER 25

25-1 STATE OF MISSISSIPPI (28) SIT FACILITIES FOR MOBILE HOMES

REVIEW DATE: 19 NOV 99

1. Kessler AFB, MS:

a. Special requirements established by the Harrison and Jackson County Board of Supervisors require all inbound DOD personnel with mobile homes to obtain a building permit at a cost of \$5 prior to the setup of the mobile home. This permit should be given to the carrier upon arrival who will then contact a third party to perform required services (plumbing and electrical). All setup services pertaining to mobile homes must be performed by licensed personnel. This requirement only exists for Harrison and Jackson Counties.

a. **NOTE 1:** All consolidated unit move shipments of personal units 1, 7, 74, and 133 will be consigned to Receiving Officer, Naval Construction Battalion Center, Building 42, Gulfport, MS 39501. Telephone number is (228) 871-2427. Shipments are accepted for delivery Monday through Thursday from 7 a.m. until 2 p.m. and on Friday from 7 a.m. until 12 p.m. NMCB Units will prepare TCN documents to reflect unit move, battalion, and number.

b. **NOTE 2:** For mobile home information, refer to record 25-1, MS SIT Facilities.

c. **NOTE 3:** Under the BOA, Navy personnel assigned within Keesler AFB area of responsibility with extended TDY enroute should be counseled to utilize non-temporary storage entitlements at origin.

d. **NOTE 4:** Recommend personnel attending school less than 6 months DO NOT ship full weight allowance to this area. In most cases, there is a 6 month waiting list for base housing and a 6 month retainability after acceptance of base housing.

e. **NOTE 5:** Waiting time for government quarters is approximately 1 to 3 months, suggest those with NTS entitlement utilize same. Also suggest PPSO brief members on partial delivery procedures and stress importance of segregating prior to shipment being picked up for line-haul.

f. **NOTE 6:** Keesler AFB is on a compressed work schedule and closed (except for clearing inbound shipments) on alternate Fridays, telephone number for clearing shipments is commercial (228)-377-9314 or FAX (228) 377-9603, between the hours of 0800- 1600 hours.

g. **NOTE 7:** Due to the rising cost of rental housing, suggest utilization of permissive TDY for house hunting.

JPPSO-WA is responsible for Army, AF, and CG in Anne Arundel County and for Navy and MC personnel stationed at Ft Meade. For Navy and MC personnel not stationed at Ft Meade see record 21-4, Naval Academy, Annapolis, MD, for consignment instructions.

*See Note 1 for activities serviced.

b. **TGBL HHG, TGBL BAGGAGE:** Consign to member or member's agent at delivery address if known; otherwise, consign to member at destination city/installation where member will reside/is assigned. Annotate PPGBL: "Carrier will notify JPPSO-WA, Ft Belvoir, VA, at (703) 806-4900 or 1-800-762-7186 prior to delivery or placing in storage."

c. **PARCEL POST:** Do not consign parcel post shipments to JPPSO-WA. Marine Corps personnel assigned to MCDEC, Quantico, consign to TMO MCDEC, Quantico, VA 22134. For all other Marine Corps personnel assigned to the Washington DC area, consign to member c/o unit of assignment.

d. **FIREARMS:** Do not mail firearms to JPPSO-WA by parcel post. Firearms should be mailed to members address or shipped in personal property.

e. **MOBILE HOMES:** Storage space is extremely limited. TOs are requested to telephone the Clearing Branch to determine if storage space is available.

3. **SPECIAL INSTRUCTIONS:**

a. **NOTE 1:** Activities serviced by JPPSO-WA are:

(1) **District of Columbia:** Bolling AFB, Ft McNair, Naval Research Lab Wash, Navy Yard Wash, Naval Station Anacostia, Walter Reed Army Medical Center, and US Coast Guard Wash.

(2) **Maryland:** Andrews AFB (Prince Georges), Bethesda Naval Hospital (Montgomery) (see Note 7), Cheltenham Navy Annex (Prince Georges), Ft Meade (Anne Arundel), and Naval Ord Station Indian Head (Charles) (see Note 6).

(3) **Virginia:** Ft Belvoir (Fairfax), Ft Myer (Arlington), Henderson Hall (Arlington), MCCDC Quantico (Prince William), Naval Surface Weapons Ctr, Dahlgren Lab (King George), Pentagon (Arlington), and Vint Hill Farms Station (Fauquier).

(4) **West Virginia:** Naval Radio Station Sugar Grove (Pendleton).

b. **NOTE 2:** June through September deliveries from storage-in-transit (SIT) are very difficult to arrange in a timely manner due to agent saturation and heavy peak workload. Deliveries can take up to 15 to 20 days notice to the agent. For direct deliveries advise the member to contact this office to furnish contact information.

c. **NOTE 3:** Independent city of Richmond, VA, is geographically located in Henrico County and not in Richmond County. The responsible PPSO for the city of Richmond is Ft Lee, VA.

d. **NOTE 4:** Sugar Grove, WV, has been designated a remote area. Members assigned to Sugar Grove are entitled to nontemporary storage.

e. **NOTE 5:** Do not consign shipments to this area for permanent storage (NTS). Consign to the property water port (Bayonne NJ or Oakland Army Terminal) "Hold for member". NTS as an alternative to shipment should be considered for those members attending long term schools and have no intention of taking delivery of their property. Storage (SIT) extensions require strong justification for approval.

f. **NOTE 6:** Personnel assigned to the EOD School at Indian Head, MD, and plan to reside in Government quarters should place their household goods in nontemporary storage at origin. These quarters are fully furnished. The only items that should be shipped are TV, stereos, VCRs, linens, dishes, pots and pans, etc.

g. **NOTE 7:** Single personnel assigned PCS to schools at NMMC, Bethesda, MD, are encouraged to contact the school prior to shipping household goods. There may be a requirement for single enlisted personnel to reside in the barracks. Large items of furniture cannot be utilized in the barracks and should be stored at origin.

h. **NOTE 8:** Misconsigned shipments are resulting due to confusion between Langley, VA, and Langley AFB, VA. Langley, VA, (Arlington County) is the responsibility of 47-3, JPPSO-WA while Langley AFB, Hampton (IC), VA, is the responsibility of 47-4, CPPSO Langley AFB.
